INK TANK SYSTEM PRINTERS

L6160/6170/6190

Experience high printing speeds and borderless printing for up to A4 size with Epson L6160/6170/6190 ink tank printers. Armed with PrecisionCore™ printheads, print speeds are improved for increased efficiency. The new tank design is integrated into the printer to allow the printer to have the smallest footprint* amongst all brands of ink tank printers that use bottled ink refills. Together with a new set of low-cost ink bottles which guarantees spill-free ink refilling and the paper-saving auto-duplex function, enjoy one of the lowest printing cost solutions. Maximise connectivity with a suite of Epson Connect features which enables printing on the go over a network.

L6170

Each printer comes bundled with a starter kit of 1 x 127 mL bottle of black pigment ink and 3 x 70 mL bottles

ENGINEERED FOR BUSINESS

Superior Savings with Auto-Duplex

Save up to 50% on paper costs with auto-duplex function, and enjoy even greater savings with high page yields and affordable inks.

Speed, Quality and Reliability

Epson PrecisionCore printhead offers higher print speed, quality and reliability. Pigment black ink produces water and smudge-resistant printouts.

Seamless Connectivity

Share your printer over Wi-Fi, Wi-Fi Direct, Ethernet and print on the go via a suite of Epson Connect features.
